RESIDENTIAL HALLS FOR MEN

THE system of Residential Halls for men at Cornell University consists at present of Cascadilla Hall, at the south end of the campus, and five halls comprising Baker Court, Founders Hall and Boldt Hall, situated in West Avenue. These buildings in West Avenue form the nucleus of a new group of dormitories now in the course of construction on a fifteen-acre plot lying to the west of the main Quadrangle and bounded by Stewart, University and West Avenues.

Cascadilla Hall is a stone building, with an adequate system of fire escapes and automatic fire alarms. It furnishes accommodations for about 170 men. It is divided into four sections, each with separate entrance and fireproof stairways. The five new buildings are of fireproof construction throughout and afford accommodations for about 300 men.

ROOMS

The accompanying diagrams show the location and relative sizes of the rooms. The average rent of a single room in Cascadilla Hall on a basis of 36 weeks is about \$162 for the year or \$4.50 a week. The average price in the new buildings is about \$180, or \$5.00 a week. Complete lists of rooms and prices will be found in connection with the room diagrams of each building in the latter part of this pamphlet.

FURNISHINGS

Rooms are furnished with rug, desk, desk chair, morris chair, bent-wood chair, bureau, iron bedstead 3 feet by 6½ feet, couch cover, curtains, bedding and bed linen. Bed linen is laundered by the University free of charge. All rooms are heated by steam and lighted by electricity.

GOVERNMENT

The administration of the halls is under the direction of a Manager of Residential Halls, whose office is in Sage College. Housekeepers are in immediate charge of the several buildings. Subject to the University's general rules with regard to student conduct, and the rules contained herein, the residents of the halls are, so far as practic-

able, left to the regulation of their own affairs. Each occupant is expected to conduct himself with due regard for the rights and comfort of others in the building.

DINING ROOMS

Dining rooms, with meals served on the cafeteria plan, are conducted by the University in Cascadilla Hall, in the Baker Mess Hall near Baker Court, and in the Home Economics Cafeteria on the Agricultural Quadrangle. Table board for a limited number of men may usually be secured at Baker Mess Hall.

RULES AND REGULATIONS

Any male student, in good standing in the University, who does not hold a position higher than that of Assistant in the instructing staff, is eligible for a room in the Residential Halls for men.

Every occupant of a room is required to sign a lease in the following form:

I, the undersigned, hereby lease from Cornell University for the college year . . . the room in . . . Hall indicated below, and agree to pay therefor the rent stated, subject to the terms and reservations on the back hereof.

Possession of the room may be had two days preceding the first registration day of the University year and must be relinquished on the day following the lessee's last examination in June (unless arrangements for holding over have been made with the Comptroller's office prior to June 1) in as good condition as when taken, ordinary wear and tear excepted.

The rent shall be paid in three installments, on September 1, November 21, and March 21. Failure to pay the first installment by September 1 shall be regarded as a surrender of the lease and a forfeiture of the deposit.

The rooms shall be used only as living rooms in accordance with the rules of the University and in such manner as not to disturb the other occupants of the building. Gambling, the use of beer or other intoxicating beverages, the keeping of dogs, cats or other animals, cooking, the installation of gas or electric stoves or plates anywhere in the building is strictly prohibited. No roommate shall be taken, no assignment of this lease made, nor the room or any part thereof sublet without the written consent of the Comptroller.

If the lessee is dropped from, or leaves the University for reasons satisfactory to the Comptroller, he may be released from his lease. If one of the lessees of a double room or suite is released under this rule the other lessee shall within two weeks bring in a roommate satisfactory to the Comptroller or, upon the Comptroller's request, move to a single room.

The University may terminate this lease and take possession of the room at any time for violation of any of the provisions herein, the violation of any University rule, or whenever the rooms are vacated or the connection of the lessee with the University as a student is terminated. The University agrees to furnish

light, water, heat when necessary, ordinary care of the room including laundry of the bed linen, and also to furnish locks and keys for the doors upon request. Any waste of light or water will be charged to the lessee and it is understood that the University shall not be liable directly or indirectly for any damage caused by an insufficiency of heat or for the loss or theft of any articles or property of the lessee anywhere on the premises.

Damage by fire or water rendering the room wholly unfit for occupancy shall entitle the lessee to a pro rata adjustment of the rent for the period during which the room is unfit for occupancy, unless the damage is such that it is not reparable within sixty days, in which event the lease shall be terminated.

The University reserves the right to take possession of the room at any time for infirmary purposes in the event of an epidemic or other urgent cause and also reserves the right to use the room for any purpose desired during the Christmas or Spring recesses or any other time when it is not actually occupied by the lessee. If the University desires to so use the room, notice shall be given the lessee and sufficient storage space provided for the storage of such articles of personal property as he may desire to remove from the room.

The University will, on request, furnish locks and keys for each room, but it is not to be held liable for any articles or property of tenants lost or stolen anywhere on the premises.

The right to occupy a room is not transferable and terminates with the expiration of the lease. A room may not be leased in the spring by the present occupant, held until fall, and transferred at that time to another, and any attempt to do so will be deemed a fraudulent transaction.

If a room is not claimed by the first day of instruction and no notice has been received by the Comptroller, the reservation will be automatically cancelled and the room rented.

If one of the lessees of a suite is released in accordance with the rules, the remaining tenant must find a roommate within two weeks or, upon request of the Comptroller, move to a single room.

In case of an epidemic, the University reserves the right to require rooms to be temporarily surrendered for infirmary purposes.

Upon application to the housekeeper, permission may be obtained for ladies to visit the rooms or buildings.

Each tenant will be allowed to store for the summer one box or trunk, not exceeding twelve cubic feet in size, if he has signed a lease for a room in the Residential Halls for the following academic year. A charge of twenty-five cents each month will be made for all other trunks, boxes, etc., which may be left in the building when the owner vacates the room. All such articles are stored at the owner's risk and will be disposed of if not removed within six months.

The telephone service in the Residential Halls is on the pay station plan. Outgoing messages are charged for, but no charge is made for incoming calls.

A private telephone, for the use of the occupant of the room only, may be installed at the expense of the occupant in any room that is supplied by a telephone conduit, but only upon order of the Comptroller.

Radio equipment may be installed only by the University's Department of Buildings and Grounds, at the tenant's expense, and only with the written consent of the Comptroller.

DEPOSITS

No application will be considered that is not accompanied by the required deposit of ten dollars a man, to cover the return of keys, damage to buildings or furniture other than ordinary wear and tear, and to insure the completion of the lease. This deposit, less any charges against it, may be refunded upon the surrender of the room, subject to the conditions named below.

If the lessee surrenders his lease to the Comptroller on or before September 1, the ten dollar deposit will be refunded. If the lease is surrendered after September 1 the deposit will be forfeited unless the room is subsequently rented for the year to another student.

ASSIGNMENT OF ROOMS

No application for rooms for the following academic year will be received prior to March 1.

If none of the rooms specifically applied for be available, assignment will be made from rooms similar in price and location.

In assigning rooms the following rules and preferences will be followed generally, but rooms will be assigned with a view to combining the pleasure of the occupants with the maintenance of order in the buildings, and the University retains the right to refuse to lease to one whose past tenancy has, in any way, been objectionable.

FOR MATRICULATED STUDENTS

1. On April 1, applications received prior thereto, from present tenants of the Halls, will be considered, in order determined by lot, except that preference will be given to those applying for their present rooms.

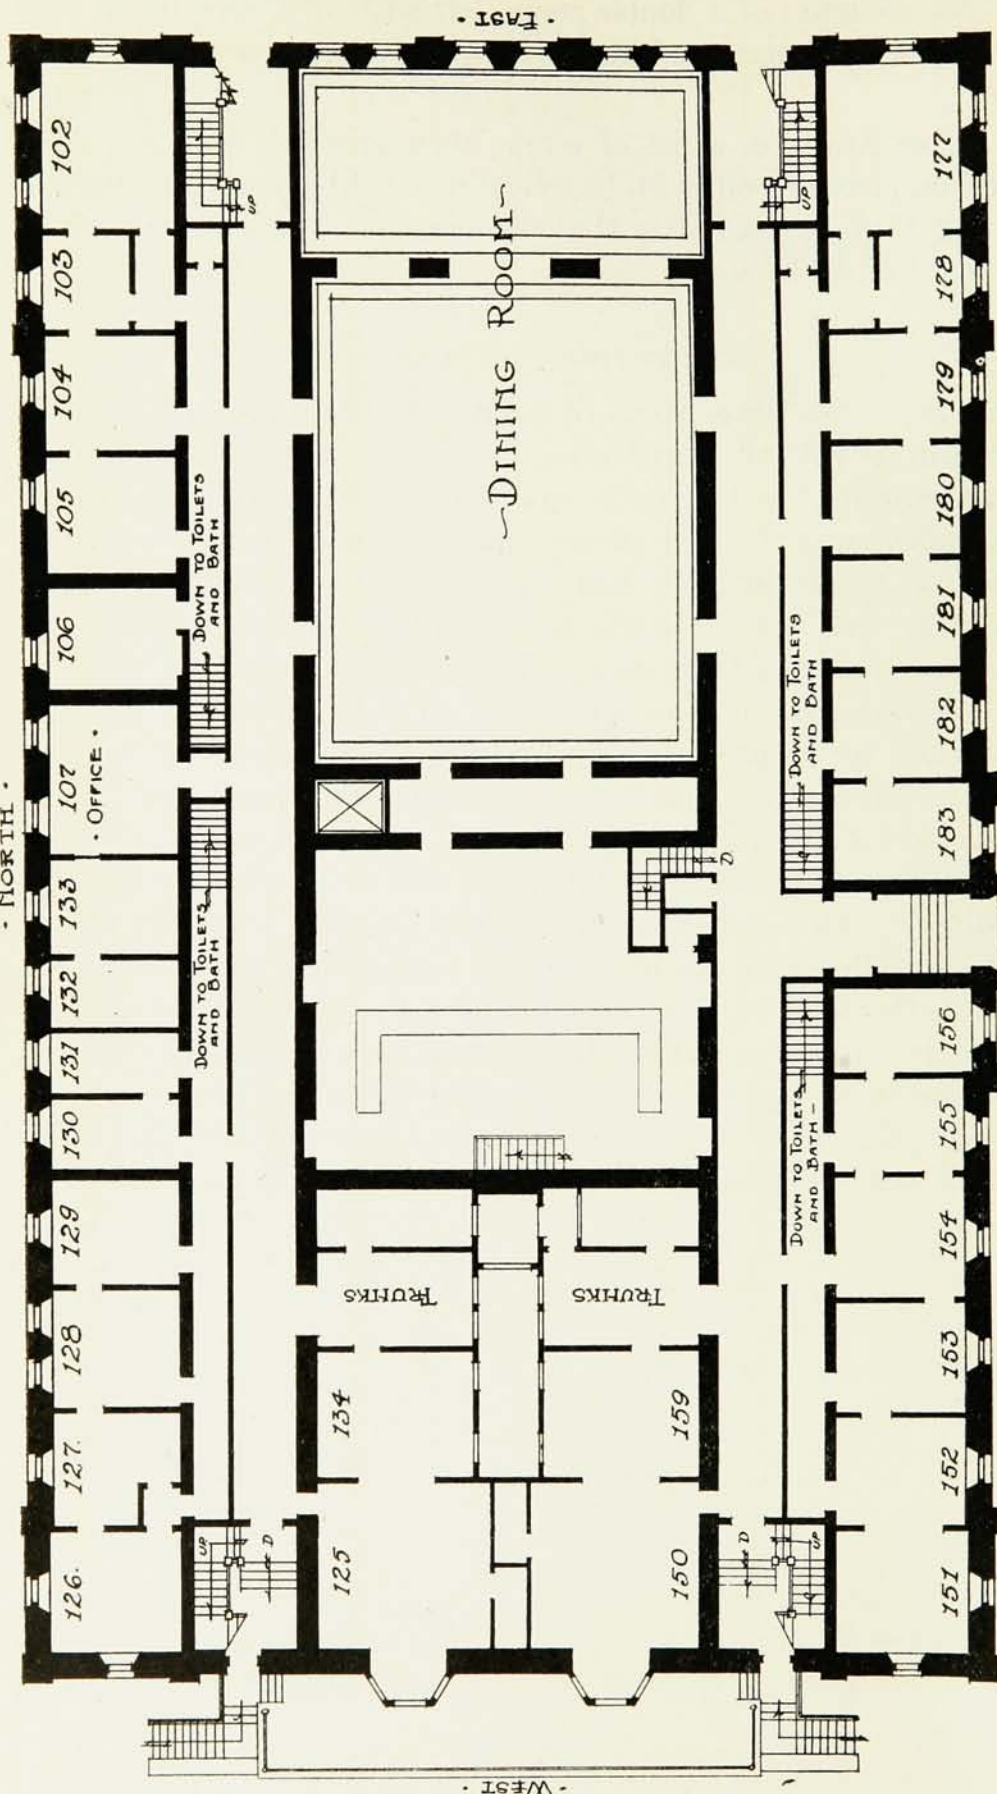

2. An occupant of a double room, left without a roommate, may name a new roommate and his application will receive preference as above.

3. After April 20, a list of rooms then available will be posted at the Comptroller's office and applications will be received until and including May 10, and after that date assignments will be made in order determined by lot.

FOR ENTERING STUDENTS

Unfortunately, the capacity of the Residential Halls for men is not commensurate with the registration in the University. In order that the men entering the University may have a chance to secure rooms in the halls, equal to that of men already matriculated, a limited number of rooms in each hall (approximately one-quarter) will, about May first, be set aside for entering students. Before application is made for these rooms the applicant must have received from the Registrar of the University a final permit to register. Applications for rooms from those holding such permits will be considered on September 1, in order as determined by lot, and assignments made of the rooms applied for or of similar rooms. Notice of the results of the drawings for rooms will in all cases be sent out immediately, and failure to deliver a duly executed lease and to pay the first installment of the rent at the Comptroller's office within ten days from the date of the notice will automatically cancel the reservation. If a room is not claimed by the first day of instruction and no notice has been received by the Comptroller to the effect that the lessee will occupy same at a later date, the University may cancel the lease and rent the room, holding the lessee for any loss of rent.
